When I can't walk the road I tra - vel When I can't
When I have tried to show I'm wor - thy When I have

take a - no ther step When I am
tried to show I'm strong And I have

tired and I have no strength that is left
done it on my own so so ve - ry long

When I have
When I have

bro - ken ev - ery pro - mise When I have
hur - ried past Your throne room When my

missed ev - ery mark When I have
to - ken prayers are few And I

found my - self so far from where You are
try to find my way won way back to You

Then there's the

cross a bridge from all m - y sin

The door that let's m - e i

- n The way ba - ck home when I

am lost Then there's the

cross And on that u - gly piece

of wood You ac - com - plished what I ne

- ver could To call me back

To call me back
